

# Rowner Infant School PTA

Currently, we have a small, dedicated group of parents who support our school with events to raise money for our children. We would like to start planning bigger events which will include a Christmas fayre. We have used the money raised so far to provide the children with exciting experiences such as the space dome visit. We are also subsidising school trips and organising a fun afternoon for our Year 2 leavers. We really need more people to support us in running future events to enable us to raise money for bigger projects such as our library and playground development. We would really appreciate it if you could answer the questions below about supporting the school to raise money.
