

English

The Faithful Friends will continue to take us on Quests past more new characters, settings and problems. They will send us new books, based on our new topic of the Navy and sailing. The children will continue to develop their literacy skills, adding more description to their writing and creating longer, sustained pieces.

Year 1 Summer 1 Topic: In the Navy!

Maths

We will revisit number and place value with numbers to 100! We will continue to develop our counting in steps of 2s and 10s, and learn how to count in 5s. Addition and subtraction will be taught through different concepts, such as mass and money, and we will link fractions to multiplication and division.

Science

We will continue our study of seasonal changes, revisiting what we learnt in Autumn Term about weather and day lengths and comparing this to Spring Term. We will look at hours of daylight and also make our own rain gauges,

Art & DT

We will continue colour mixing using a range of different materials. We will explore the work of William Cunningham. In DT, we will design, create and evaluate a boat!

History

We will be exploring the differences between the Navy now and in the past looking at artefacts from the Navy.

Geography

We will be exploring human and physical features looking at coasts and towns., using this knowledge to compare Southsea and Stokes bay.

Music

We will be using our new music scheme called Charanga. We are very excited to discover what this will teach us!

PSHE

We will be looking at relationships, making friends and what the qualities are in a good friend. We will also look at being a friend to myself and special relationships.

P.E.

We will continue to work with our PE coach to develop our co-ordination and skills.

R.E.

We will be looking at special books within religion.

Computing

We will be using a computer to create and change text. The children will learn to type on a keyboard and begin using tools to change the look of their writing. We will compare using a computer and writing on paper to create text.

Year 1 Summer 1 - How can you help your child's learning at home?

Make

Could you make a naval ship out of junk modelling? What features do you need to include? How many different materials can you use?

Maths

When you are in the shop, can you count how many objects you're putting in your trolley? How many tens are in this number?
How many ones?
How many different coins can you find? What are their values?

Research

Find out about the Navy, do you have any relatives you could talk to the Navy about?

Phonics

Write a sentence from your reading book. Can you add sound buttons to the sentence? Don't forget to spot those tricky digraphs and trigraphs!

Write

With your new handouts sent home before Easter can you practice your handwriting using Kinetic Letters?

Read

Could you visit the library and find some books about Nelson and the Battle of Trafalgar?

Local environment
Human
Physical
Pier

multiplication, division,
repeated addition, sharing
